How was Mohammed Abu Khudair killed?

Attention

According to a report by Israeli Forensic Institute that dissected his body, the Israeli settlers put gasoline (petrol) in his mouth compulsory. They then pour gasoline on his body and set fire on it.

Teenager tied to police vehicle to stop his friends throwing stones

The day Israel used a boy aged 13 as a human shield

THIS is what happened to a Palestinian child who joined teenagers throwing stones at Israeli border police.

Muhammed Badwan was grabbed by officers and tied by an arm to the grille covering the windscreen of their security vehicle (circled).

Last night the 13-year-old's father said the police had illegally used his son as a human shield

From **Matthew Kalman** in Jerusalem

to try to stop the demonstrators throwing stones at them.

"When I saw him on the hood of the jeep, my whole mind went crazy," said Saeed Badwan, a 34-year-old labourer. "It's a picture you can't even imagine. He was shivering from fear."

Muhammed said: "I was scared when they got me at first. I

thought they would put me in prison. I was scared a stone would hit me."

The incident happened in Muhammed's home village of Biddo, north-west of Jerusalem, which has become a flashpoint for violence between Israeli forces and demonstrators protesting against the building of an Israeli security fence.

The picture was published by an Israeli human rights group trying

to expose the behaviour of some Israeli security personnel.

Rabbi Arik Ascherman, director of Rabbis For Human Rights, heard about the boy and tried to intervene with the police, demanding he be released.

The rabbi claimed he was head-butted by one of the officers and arrested. He said he intended to press charges against the police.

"The boy was sitting on the hood of a vehicle, unsuccessfully

trying to hold back his tears, shivering with fright, and with one arm tied to the screen protecting the windshield," he said.

"We tried to calm him down and reassure him. I asked if he was hurt. He said he had been beaten and was in pain."

"It is very depressing that we have come to this position where this is what we do."

The Israeli police said they were investigating the incident.

The background of the image is a Palestinian flag, featuring horizontal stripes of black, white, and green, with a red triangle at the top left. In the center of the flag is a yellow dome, likely representing the Dome of the Rock in Jerusalem. The flag is waving against a blue sky.

She holds a rectangular cardboard sign in front of her chest. The sign has the words "STOP!", "KILLING", and "US -" written in black marker. The background is a brick wall, and a portion of another person in a yellow and blue striped garment is visible on the right.

AFTER THE HOLOCAUST, THE WORST THING
THAT HAS HAPPENED TO JEWISH PEOPLE
IS THE STATE OF ISRAEL

David Attenborough: July 21, 2014:

I am unaware of any animal that is as cruel as Israelis - not even crocodiles. They bomb schools, hospitals, refugee camps, orphanages, UN feeding stations, water works, power plants, ambulances, kids playing on the beach. They put millions of people in siege. They shoot children going to school. They kidnap kids and harvest their organs. They inject prisoners with disease pathogens before releasing them. They murder by land, sea and air. And worst of all they slander their defenceless victims as 'TERRORISTS.'
